

Silicon Valley CTE Mechatronics & Robotics Club

Purpose of the SVCTE Mechatronics & Robotics club is to provide an opportunity for students to learn about Electronics and Mechanical Engineering concepts, build electronic and mechanical projects and build Robots. The Club is open to all Silicon Valley CTE Students.

The club advisor is Jim Burnham (Cyber Security and Mechatronics Instructor)

Meeting Schedule:

Club meeting are currently planned to be held on the 2nd and 4th Thursday at 3:35PM to 5:00PM.

Transportation:

All students wishing to participate must have transportation to and from the club meeting. If they have a driver's license, they may drive themselves. Otherwise they must have a ride that will pick them up in a timely manner after the club meetings have finished. Parent or guardian is responsible to transport or arrange transport for their student to and from any meeting or activities

Fees and Membership Cost:

Attendance to the club meeting is no cost, but there will be material fees for some projects.

As part of the club activities we will be building and competing in the Robotics Education and Competition (REC) Foundation. If the student wants to join a team, compete in REC events, there will be an annual \$25 fee to cover material and entry fees for completion.

If you have any questions, please don't hesitate to contact the Advisor of this club
